

VALIDATION SERVICES FOR THE VOLUNTARY SECTOR

TRAINING COURSE ON VALIDATION POLICY

On demand face-to-face training course for board members of volunteering organisations on how to include "validation of competences" in the policy of the organisation, including introduction of validation tools and good practices.

Content and duration of the course are flexible, and can be adapted to the needs of the organisation.

VOLUNTEER CAREER GUIDE

Blended learning (e-learning and face-to-face) for volunteers to become aware of and reflect on their skills and competences, and to discover how these skills and competences can be validated and used for their professional career.

EUROPASS CERTIFICATE FOR VOLUNTEERS

In close cooperation with the Dutch National Europass Centre and several volunteering organisations we have developed a guidance booklet for the use of the "Europass certificate for volunteers".

This certificate is a structured and standardised way of documenting skills and competences that are acquired in the voluntary sector.

This project has been funded with support from the European Commission. This publication (communication) reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

OPEN ONLINE TRAINING COURSE

120 hours of training for professionals in the voluntary sector on the validation of competences of volunteers, including:

- introduction to the validation of competences in the voluntary sector;
- European Qualifications Framework and European validation tools;
- development and implementation of systems for the validation of learning outcomes acquired in voluntary work.

The training course will be available from autumn 2017.

ONLINE PLATFORM FOR THE RECOGNITION OF INTERNATIONAL VOLUNTEERING EXPERIENCES

The platform, available from autumn 2017, will guarantee high quality standards in hosting volunteers from all around the world. Volunteers will be guaranteed both in terms of living conditions and facilities, in monitoring and assessment of the competences acquired by participants through the experience of volunteering abroad.
