

Who we are

EDOS Foundation initiates training courses, projects, and other educational activities to stimulate and facilitate the personal and professional development of adults and youngsters who are professionally or voluntary active in the field of adult education, youth work, and welfare work. We have a vast experience in adult education, volunteering and youth work.

Our structure:

Our network:

- local volunteer centers
- welfare organizations
- youth work organizations
- vocational education
- relevant organizations on national level

Contact details:

EDOS Foundation, Rijplaan 23,
